

## Crowdfunding Letter for Independent Film Maker

Hello,

Hope this letter finds you in good spirits.

My name is Richard M. Stevens. I am an independent filmmaker passionate about telling incredible stories about real people through the films that I make.

I am making a film called 'Prius Sombray' for the big screen. Since making a movie is an expensive proposition, I am writing this fundraising letter to you to seek your support for making the movie a reality.

I wish to complete 'Prius Sombray' this year and show the film in film festivals next year. The script of the film has been written already, and now I need your kind support to produce it and bring it to the big screen.

The story of the movie revolves around man who is sets off from a faraway land to the USA in pursuit of his dream. Shortly thereafter, he lands up there with his family, illegally. Unfortunately, soon after, he learns that the business partner he thought would help him build his fortunes is no more. Completely clueless about what to do next, he wanders about aimlessly around the city. One day, when he was out searching for a job, the immigration Department catches him and deports him back to his country, without his family. Thereafter, he fights back and ultimately makes his way back to the USA with proper documentation. Ultimately, his struggles bear fruit, and he is able to make it big in New York.

The film is a complete package of emotions, struggles and the ultimate triumph of the right over wrong and ends on a positive note.

I estimate that the film will be completed with the budget of \$90k. I urge you to contribute to its making by becoming a sponsor or a partner. You can contribute any amount starting from \$25.00 and every support will go fully into the making of the film.

If you kindly agree to support me, then please make checks out to Richard M. Stevens and send them via the self-addressed stamped envelope that I have enclosed.

Please don't hesitate to call me on (Phone number) or email me at (email id) with any questions.

I look forward to receiving your kind support.

Thanks again.

Richard M. Stevens
